

DISCOVER THE POWER OF PRAYER
4 DAY SAINT CECILIA PARISH MISSION
MONDAY, OCTOBER 25 -THURSDAY, OCTOBER 28
7:00 – 8:00 pm

- Monday October 25: Father Sean O'Mannion, National Speaker on Devotion to the Sacred Heart of Jesus. Fr. Sean is a priest of this diocese and has spoken frequently on the spirituality of the Sacred Heart of Jesus. He discusses practical ways we invite this devotion to be a part of our prayer life.
- Tuesday, October 26: Living Rosary: Be a part of a Living Rosary! Discover Marian devotion by becoming a bead in our Living Rosary or being in attendance to watch and pray with us from the pews. Many participated last May (over 100) and in this month of October we are once again proclaiming Marian spirituality.
- Wednesday, October 27: With many people finding themselves feeling anxious and stressed during this time of quarantine due to the pandemic, Father Warren Savage, a popular and well-known speaker and priest in our diocese will offer some tips for dealing with these troubled feelings and finding peace through the power of prayer.
- Thursday, October 28: We conclude our four days of our parish mission with a Mass celebrating the feast of St. Jude. St. Jude is the patron saint of impossible causes and has been a patron for many people who have sought his intercession for a special intention. We will take our petitions from the mission and offer them up to St. Jude to conclude the week. Fr. John Connors will be the celebrant.

We all have specific prayer intentions in our life. Come be a part of our parish mission and discover ways to offer those intentions to God through many different kinds of prayer. All are welcome!
